Opening paragraph of the page.

Pin	Name	Use
1	VCC stray	Supply
2	GND	Ground

This is a long paragraph that was tagged as a heading by mistake, so the converter should not turn i
t into a heading of the document, because a heading is short and this text is not short at all, it g
oes on and on about the charger, its connectors, its controller and its limits, and it has more than three hundred

Item that is split
Text that stands between the halves of the item.
into two parts on the page

Top row	first
Middle row	second
Bottom row	third

Left one	Right one
Left two	Right two

A note in the margin

Aaaa	Bbbb	Cccc
Dddd	Eeee	Ffff
Nine columns wide		Gggg

Stamp in the middle

One	Two	Three
	Spanning	Four
		Five

Alone
Still alone

Inner one	Inner two	Outer cell

Claimed twice

Other text of the second page.
